

2021 Operations Procedures

The WSS Farmers Market will be held on Thursday evenings from 5 pm-8 pm weekly, from June 17 through September 23, 2021. Market setup time will be at 4:30 pm. The market will close promptly at 8 pm and all vendors will remain for the duration of the market time each day that they attend, be responsible for cleaning up their area, and share with the general area clean up until the task is complete. The market is a smoke free environment. Vendor & customer pets are allowed, and per city ordinance all pets are to be on a leash.

Vendor Participation:

- Vendors must obtain a (1) time permit for the cost of \$30.00 (covers the entire market season) from the **City Hall (not the Courthouse)**, available now until June 11, 2021.
- Vendors will sign a registration statement and waiver of liability at the beginning of their participation for the season as no insurance is available.
- A participation fee of \$10 per market day will be charged for all vendors, for (1) 10x10 space, effective upon arrival, except for community projects (i.e., 4H, Closeup, etc.)
- The purpose of the fee is to support advertisement, insurance costs and port-a-potty rent for the market season.
- First time vendors must register, be given information on Market Operations, and have no fee.
- All vendors will clearly display their name and address on an 8.5" x 11" page on their table or stand, and the sanitarian's certificate of baked goods approved for sale.
- Licensed concession vendors will be allowed to participate and sell their goods upon presentation of a current license.

Musical Participation:

- Live entertainment will be encouraged for whatever tips they merit.
- Music must be "Family Friendly", no profanity or suggestive sexual language.
- Setup times will be 4:30-5:00 pm (play for 1 hour), teardown/setup 6:00-7:00 pm (next group plays for 1 hour)
